

SRP Technical Bulletin

SRP AirOutshield™

Vapour Permeable Air Barrier for Sloped Roofs and Rain Screen Wall Systems

Subject: Compatibility of Tapes, Sealants and Adhesives

The following products are compatible with all AirOutshield Membranes

Tapes (by SRP Canada Inc.)

SRP 60 UV Tape
SRP 100 UV Tape
SRP SA 280 200 Flashing
SRP DS Tape (not compatible with AirOutshield UV)

Sealants and Adhesives (by Others)

Dow Corning 758
ChemLink M-1
Masterseal NP-1
Masterseal AWB 900
Master Builders MaxFlash
Henry® 925 BES Sealant
Tremco Dymonic® 100
Tremco Dymonic® FC

This information is a guide only. SRP recommends that the adhesion and compatibility be confirmed by the installer for the specific project conditions they are encountering through a field test.
